

ST. JOHN LUTHERAN SCHOOL

Connecting People in the Heart of Jesus

Thank you for partnering with St. John Ministries to help your child establish a foundation for academic, spiritual, social, and emotional life. St. John Ministries has had a passion for Christ-centered education since 1882 when the school was established. That passion has been affirmed financially subsidizing roughly \$500,000 of the cost per year over the last decade.

As we assess our financial trajectory, we want to ensure we establish a manageable request of St. John Church, and also maintain tuition fees that are reasonable for our school families. This year, we are asking our school families to petition their home church to sponsor their reinforced Christ-centered foundation here at St. John. If the request is made of the home church, and financial assistance is denied, St. John will be available to fill the home church contribution.

Actual Cost of Tuition	\$7000
St. John Pledge	\$500
Home Church Contribution	\$3,900 (60% of Cost)
<u>Family Portion (1st Child)</u>	<u>\$2,800 (40% of Cost)</u>

K-8 Multi-Child Discount

\$2,800 1st Child (K-8)	
\$2,600 2nd Child (K-8)	(\$200 Discount)
\$2,200 3rd Child (K-8)	(\$600 Discount)
\$1,850 4th Child (K-8)	(\$950 Discount)

*Multi-child discounts are provided by St. John Lutheran Church regardless of church affiliation.

Referral Incentive

In addition to the multi-child discount, St. John Lutheran School has also adopted a referral incentive policy. The parents of students at St. John are great partners in the education of their child(ren)! God has blessed us with so many parents who speak highly of the nationally accredited program offered at St. John Lutheran School. To show our appreciation for this partnership and to provide additional students with a positive, caring, Christ-centered education, St. John has established the following policy:

Parents of K-8 students enrolled at St. John Lutheran School are eligible to receive a \$500 tuition credit for each new K-8 student they refer to our program. Discounts may continue to apply until the tuition balance is cleared.

To qualify, the following criteria must be met:

- The referring parent's name must be listed by the enrolling family on the registration packet as the one who referred them.
- The enrolling family must complete the enrollment process and not have already planned to enroll.

I think a young family, that is like, "can we really make this work financially?"
It pays for itself in many ways, and then some!
