

K - 8th Grade Re-Enrollment for the 2022-23 Academic Year

To assist in planning for next school year, we are asking families to indicate their intention to enroll their children in our school for the 2022-23 school year.

February 1—February 28: Re-enrollment of current students and siblings

\$50.00 re-enrollment fee. This \$50.00 fee reserves your child’s place in the class and helps us plan and budget accurately.

March 1—March 31: Enrollment opens for the general public

\$50.00 re-enrollment fee. This \$50.00 fee reserves your child’s place in the class and helps us plan and budget accurately.

April 1—August Registration Day: Enrollment open to the general public

\$100.00 re-enrollment fee. The increase in fee is levied because late registrations do not help in planning for the coming school year.

	Feb. 1 – March 31 \$50	April 1 - August \$100

Total re-enrollment fees paid =		

Registration fees due in August are set at \$1650.00 per student. This includes all fees except the Athletic Fee (grades 5-8 ONLY if participating in sports), and lunch fees. Families must be enrolled in facts or have all fees paid in full before the first day of school. The actual cost of educating your child is over \$5,500.00 per year. St. John Lutheran Church graciously provides scholarships for each child for the difference between registration fees and the actual cost. This is done because of the congregation’s firm belief in an education centered on Christ.

Scholarships: Several scholarship programs are available to our school families:

- Children’s Scholarship Fund of Omaha
- St. John Scholarship Fund
- Lawson Walz Memorial Scholarship Fund

We never want finances to stand in the way of a child receiving a Christ-centered education. If you feel the pre-enrollment fee will be a hardship for your family, please contact Mr. Onnen. Thank you for allowing St. John Lutheran School to partner with you to educate your child and assist you in the development of his/her faith in our loving Savior, Jesus Christ!

2022-23 K-8th Fees

Families planning on enrolling are requested to state their intent prior to St. John's planning and budgeting cycle. This will help tremendously in planning.

Before the school year begins, each child must be enrolled. The earlier you're able to enroll, the better we are able to serve you!

More behind the pre-enrollment reasoning:

Books: Each year, we take inventory of books, both consumable and hardbooks. We budget for and buy according to our anticipated needs. This process will help us be more accurate in our budgeting, planning and purchasing.

Resources: Each year, we assess what we'll need for the upcoming year. Rather than guessing numbers and purchasing equipment based on those conjectures, your pre-enrollment gives us accurate figures to work with to ensure we're being good stewards.

Scholarships: We want to be able to assist families who demonstrate financial need. Having an early commitment ensures that we're utilizing our scholarship funds responsibly and efficiently for St. John families.
